

**Bart Vanhercke** is Director at the Brussels-based European Social Observatory (OSE). In 2013-2014, he was Associate Professor at the Institute for European Studies of Saint-Louis University (FUSL). He is also finalizing a PhD at the University of Amsterdam on “Inside the Social Open Method of Coordination: The hard politics of ‘soft’ governance”. His current research and publications focus on the social dimension of the new European economic governance, a topic on which he also works as associate academic staff at the Centre for Sociological Research (CESO) of the University of Leuven. His latest co-edited book (with David Natali), *Social Developments in the European Union 2015*, will be published by the European Trade Union Institute in September 2015.
