

Tamara Popic is Postdoctoral Researcher at the Institute for Social and Political Sciences, University of Lisbon, where she collaborates on the Norface Welfare State Futures project "Healthdox: The Paradox of Health State Futures". Her research interests focus on comparative welfare state research and in particular on the politics of healthcare policy and public opinion. Among her publications: "An East–West comparison of healthcare evaluations in Europe: do institutions matter?" (with S. Schneider, *Journal of European Social Policy*) and "Cognitive determinants of healthcare evaluations - a comparison of Eastern and Western European countries" (with S. Schneider, *Health Policy*).
